

Weekend in Cartagena

Cartagena

DATA:

COORDINATES: 1 37°35'N
L000°59'W
SURFACE: 558 Km²

HISTORY:

The city of Cartagena was founded by the Carthaginian Asdrúbal Barca in the year 227 a. C. The city knew its peak during Roman times, with the name of Carthago Nova. After the disappearance of the Roman Empire, Cartagena, with the name of Carthago Spartaria, was part of the Byzantine domains, being destroyed after its capture by the Visigoths. After that, Cartagena entered a period of decline that lasted until the 16th century, at which time the military role of Cartagena was enhanced due to the strategic importance of its port, and in the 18th century it became the capital of the Maritime Department from the Mediterranean.

CARTAGENA: THE TRIP

COURSE: S, SW and W
DISTANCE: 28,53 MILES
TRAVEL TIME: 5 HOURS

WHAT TO SEE

Cartagena: Heading a course to the South, South-West and West we will find Cartagena. In Cartagena we will find one of the best preserved Roman theaters in the World. It was built between the years 5 and 1 BC

We will enjoy in the historical and beautiful city of Cartagena, we will walk along its streets and take some “tapas”

La Azohía: After 7 hours sailing from La Manga, we will reach La Azohía. La Azohia and the cove of Cala Cerrada are one of the most beautiful places to practice diving and enjoy your Discover Scuba Diving . Looks like a natural swimming pool

Discover Scuba Diving is not included. It is an activity under request. We collaborate with the Diving Center “Amigos del Azul”

El Portus: Following a course 278° to the West, 4,4 miles from Cartagena, there is a very nice beach known as “El Portus”. Nice snorkeling

Cala Salitrona: Heading a course 260° , 7 miles far away from Cartagena, we will find this incredible cove . A great place for snorkeling

Bateria de Castillitos: 46 minutes by walking from Cala Salitrona. The battery was built and gunned between 1933 and 1936 according to how it was projected in 1926, during the program to provide a defensive belt to the strategic square of Cartagena by the dictatorship of Primo de Rivera. Castillitos was equipped with two coast cannons of the British company Vickers-Armstrongs, of the model 38.1 / 45 cm (fifteen inches). These pieces had enough power to fire a projectile of almost one ton at 35 kilometers

The Beach of Calblanque and the Cove of

“Dentones”: After running a course to the East, 16 miles far away from Cartagena we will find the Beach of Calblanque and the Cove of “Dentones”. The Natural Park of Calblanque is the perfect place to enjoy a unique beautiful wild beach and snorkeling

Cabo de Palos: Following a course to the South, 7 miles far away from Tomás Maestre, we will find the beach of Cabo de Palos, a lovely fishermen village. We will enjoy the bath in its crystalline waters. For those who want to have lunch in a restaurant, they will find some of the best restaurants to taste the best fresh fish in Murcia

Coves of Cabo de Palos: On the other side of the lighthouse, we will find crystalline and turquoise waters where you will enjoy snorkelling

Isla Grossa: In front of the Marina Tomás Maestre, we will find “Isla Grossa”. This island named as Grossa is the second highest Island in Murcia. On this Island you can find a kind of protected seagull and some hawks. We can take a buoy in front of the Island and enjoy the bath
